NOW OFFERING OPEN ACCESS

**MONDAY - FRIDAY
8-11AM**

**1505 EMERSON AVENUE
SALISBURY, MD 21801
410-219-9000**

What is Open Access at Hudson Health Services?

Open Access means that anyone seeking inpatient treatment for a substance-use disorder can walk into our admissions office and request a bed - **NO APPOINTMENT NECESSARY**. An initial assessment will be completed by an Admissions Counselor to determine the appropriate level of care. If a bed is available, admission can happen **IMMEDIATELY**. If a bed is not available, admission will be scheduled for the next available open bed.

It is as simple as that!

*Walk-In admissions are subject to bed availability and based on a comprehensive assessment.
